(CONTINUED)

ART DIRECTOR / SR ILLUSTRATOR STAFF

2013 - 2020

HOPR Studios

- Launched and managed 2-3 simultaneous projects with a focus on illustration and 2D and 3D animation pre-production. Led 3-6 artists from pre-production through delivery, bridging gaps across teams.
- Co-created, conceived, and pitched four original properties, including three animated children's shows and *Selfie the Elf*, a children's holiday book. Built pitch "bible" with writing, pictures, style guide, character concept art, style frames, mood boards, and prop design.
- Conceptualized and produced background design and background paintings for *Chosin: Baptized by Fire (2015)*, an animated short film and recipient of ASIFA East 2015 Peggy Award winner for Excellence in Design
- Managed own accounts and projects, working within budget and scheduling requirements. Led client-facing interactions to convert client script to concept art through revision rounds and production
- Directed or collaborated with the pipeline of 2D and 3D animation artists, maintaining efficient schedule and process
- Hired, trained, and directed illustrators, designers, and animators, mentoring junior artists. Curated talent pool and matched talent to project for outsourced components.
- Conceptualized game aesthetic and art, including high-level premise and style, character design, landscape design, and concept paintings

SR ILLUSTRATOR STAFF

2013

Toys "R" Us

- Conducted character design for Toys "R" Us branded illustrated characters, such as Geoffrey Giraffe and companions, and prop design of toys and seasonal promotional material for digital, print and in-store advertising. Created turnarounds, special poses, and expression sheets
- Ensured that the high quality and style of show established by the Executive Producer and Art Director was achieved and maintained. Prepared all character designs for shipment to vendors, print, and digital.

ANIMATION ILLUSTRATOR FREELANCE

2010-2012

MTV "16 & Pregnant" / "Teen Mom" via Ideas & Stuff

- Completed 10+ Portrait Illustrations per episode for MTV reality shows *16 & Pregnant* and *Teen Mom* used in motion graphic animations. Illustrated freeze-frames of the reality show scenes in a notebook portrait style.
